PROFILE

Highly reliable and skilled Network and system administrator with a strong work ethic and a good customer satisfaction record.

EXPERIENCE

WEB PLATFORM ADMIN

AVECHI.CO.KE | FEB 2018 - TO DATE

Being an E-commerce company, I do the following tasks:
- Creating new graphics (images, banners, motion videos) for our web platform and its channels
- Handling and managing Avechi social Media platforms
- Web platform administration, monitoring and ensuring it handles the traffic and maintains faster load times

INTERN

SEA SUBMARINE COMMUNICATIONS LIMITED | MAY 2015 - AUG 2015

- During the period I had hands-on experience with IP equipment (Routers and Switches), Computer hardware, Network Transmission Equipment (SDH, DWDM, SLTEs), Network Management Systems, Optical Fiber Cable Technology.
- Assisting the cable station engineers in day to day operations of the station
- Attending to network faults, working with test gears and network troubleshooting.
